

Objection 128

Dear Redistribution Committee,

I object to the proposed boundaries of the Federal Electoral Division of Wills, as per the proposed redistribution released in late May. I oppose the addition of northern parts of the electorate of Melbourne and the removal of Oak Park, Pascoe Vale, Brunswick West and Glenroy from our electorate.

The suburbs you would remove have a long connection to the council of Merri-bek boundary and the change would split residents up. If these draft proposals are adopted, two Members of Parliament will represent the same suburb within one Council, inefficient and confusing.

While population changes cannot be helped, it would be good to see minimal changes to barriers that make life harder for people as we live in this over governed land with different layers of government partially responsible for different things.

Thank god the AEC is independent and reasonable.

Thank you

Sean
