Dear AEC,

I'm writing to express my strong objection to the abolition of the Seat in which I have been a voter for the past 35 years.

The demographic on our seat is diverse and yet cohesive and as a community we have a great sense of belonging to our neighborhood (near and far). Our Federal Members (regardless of the side of politics) have always represented us as a community and have done an excellent job.

To break out of our relatively densely populated seat is like driving a border on a family estate. It makes no sense and upsets people who have lived in the area for so long.

I do not support AEC's decision and would ask that it is reconsidered.

Kind regards,
Svetlana
