We wish to post our strong opposition to the proposed abolition of the Electoral Division of Higgins.

1. Residents do not want our seat of Higgins abolished.
2. Residents need one strong advocate and not have our representation divided up between five Federal Members of Parliament.

This is particularly relevant as locals unite to voice their opposition to the proposed 173 Burke Road Glen Iris development which will have an enormous impact on the local community.

3. Higgins, which incorporates Stonnington City Council has a long, proud history as a set of former Prime Ministers and Treasurers and must be preserved.
