Submission on the proposed redistribution of North Fitzroy from the electorate of Melbourne to the electorate of Wills.

My name is Beryl Anne Langer, and I have lived at [REDACTED] North Fitzroy, since 1976. In that time, we have moved between the federal electorates of Melbourne and Wills, depending on how the boundaries have been drawn and redrawn. I write in support of the AEC'S current proposed redistribution, which would return us to the seat of Wills. My reasons are as follows:

- (1) At the State level, we have continuously been in the seat of Brunswick, and the move back to Wills would achieve consistency at state/federal levels.
- (2) We are close to the Merri Creek and Sumner Park, which is the locus of much of our neighbourhood activity, and have an ongoing connection to CERES, which is in Brunswick.
- (3) Our closest large shopping centre is Barkly Square/Sydney Rd, in Brunswick.
- (4) We are closer geographically and culturally to East Brunswick/Brunswick than to Carlton/Fitzroy/Collingwood.
