Dear Sir/Madam

I formally lodge an objection to the proposed redistribution for the division of Tangney, Western Australia.

There are two suburbs that are being divided in the same street, Leeming and Kardinya, and this makes no sense at all.

As a local government councillor for the City of Melville there have been difficulties when attempting to work through issues that impact constituents on both sides of the street separated by two different local governments.

I would seek your favour in reconsidering this redistribution to not divide Leeming and Kardinya.

Thank you.

Kind Regards

Jennifer Spanbroek
Councillor for Bull Creek Leeming
City of Melville
