My idea on the proposed Tasmanian redistribution details

My idea on the proposed Tasmanian redistribution: Names and Boundaries
Details:

I suggest Franklin be renamed Tasman - as it is now an electorate adjoining the Tasman Sea and incorporating the Tasman Peninsula whereas Franklin is a town a long way outside the new boundaries in the Huon Valley. Also I commend the AEC on the changes to Franklin and Clark. I am strongly in favour of the new boundaries for Clark, especially the unification of Kingborough, the Huon and the Channel in one electorate that includes the Southern Outlet and the southern Hobart suburbs like Mt Nelson, Battery Point, Sandy Bay, Taroona, Bonnet Hill etc. Now our electorate will include the Antarctic Division, our seat of local government, our road network and our community in one electorate. Its a great change for our community.
