Submission on the proposed Tasmanian redistribution details

Category: Boundaries

Details: Hello, I have been looking over your idea to change the boundaries within Tasmania and would like to bring up a point about Glenorchy being moved into Lyons. As a person who has both lived in the electorate of Lyons and currently lives in Glenorchy both at times of voting age. I believe that moving Glenorchy into Lyons would be a mistake. Glenorchy has different problems compared to rest of the electorate due to how rural Lyons is. With Glenorchy also having a large population we would be able to outvote the rest of the electorate which would then make any candidates running (both state and federally) campaign in Glenorchy rather than the rest of the seat. As such I hope you would reconsider Glenorchy and keep it in the electorate of Clark as we have more in common with the city of Hobart than Lyons.
Thanks Isaac
