Submission on the proposed Tasmanian redistribution details

Category: Names

Details: I propose that the electorate of Franklin be renamed to recognize the first nations heritage in the area instead of yet another colonial white male. The name that I believe would be best for this area would be truganinni- named for the well known truganinni of the Nuenonne people, who grew up on Bruny Island, an area in the this electorate. This change would help to recognise some of Tasmania's dark history of colonization and be a symbol of reconciliation with today's palawa peoples.
