# Ward, Ben - Redistribution TAS - Submission on the proposed Tasmanian redistribution

## Personal details

**First name:** Ben

## Submission on the proposed Tasmanian redistribution details

**Category:** Names

**Details:** I have a proposal for the replacement name for the electorate of Franklin, and that is Oyster Bay. The proposed boundary is very close to the boundary of the Oyster Bay Tribe. So the name Oyster Bay is a nod to the area's first nations heritage and traditional owners. Great Oyster Bay is also the most prominent feature of the coastline within the proposed boundary (without getting into very specific locations that prioritise particular communities over others, and speaks to the connection between the people of the electorate, the coastline and the Tasman Sea beyond.
