Submission S9

Roger Nye

The Electoral Redistribution Committee for Tasmania

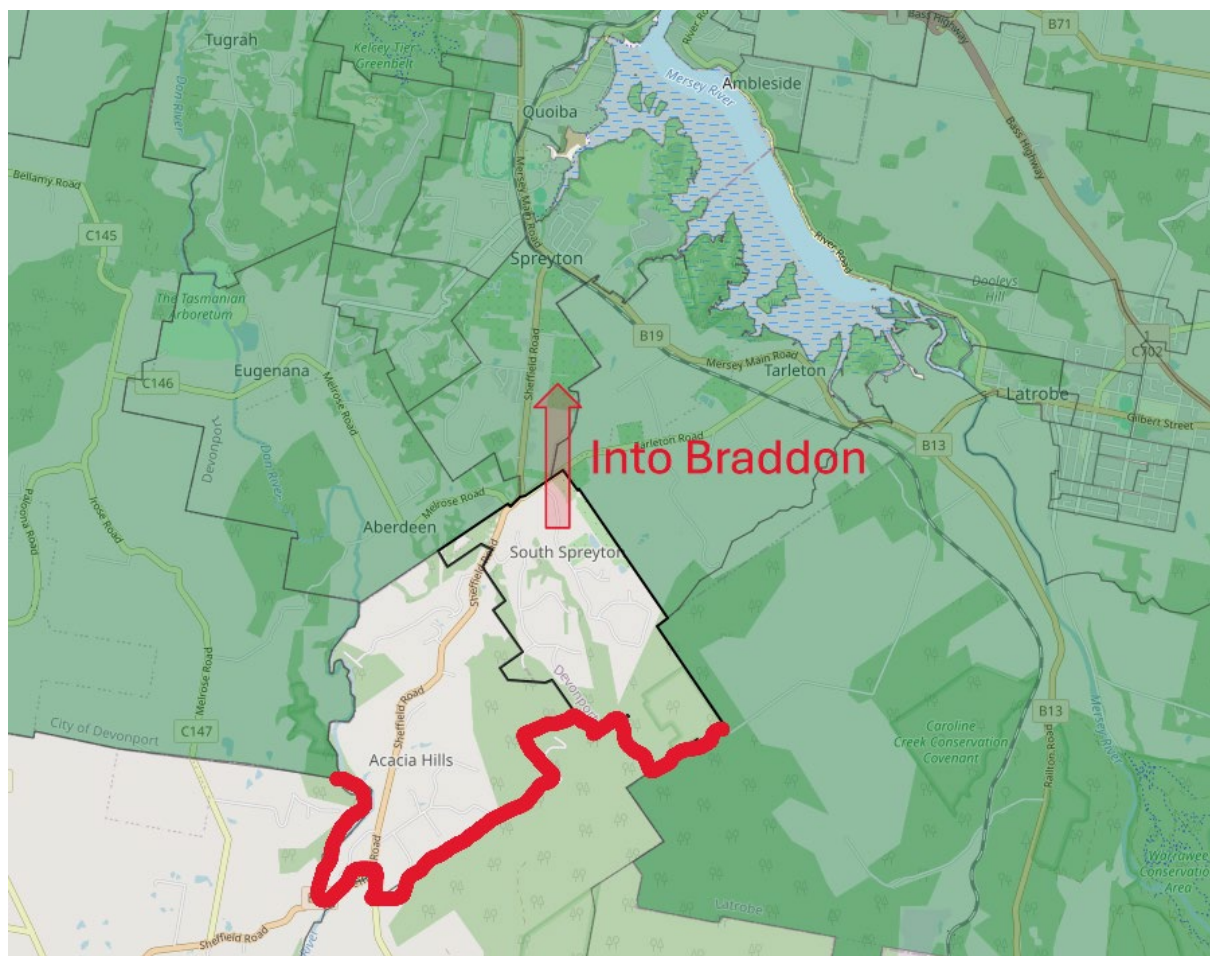

Dear Commissioners,

I would like to present a submission relating to the redistributed boundaries for the Tasmanian divisions of Braddon, Bass, Clark, Franklin and Lyons.

While I admit that the changes suggested are very significant and therefore unlikely to be adopted, the main aims of my submission are to remove the Southern Suburbs of Launceston from the Division of Lyons and to end the non-contiguous nature of the Division of Franklin.

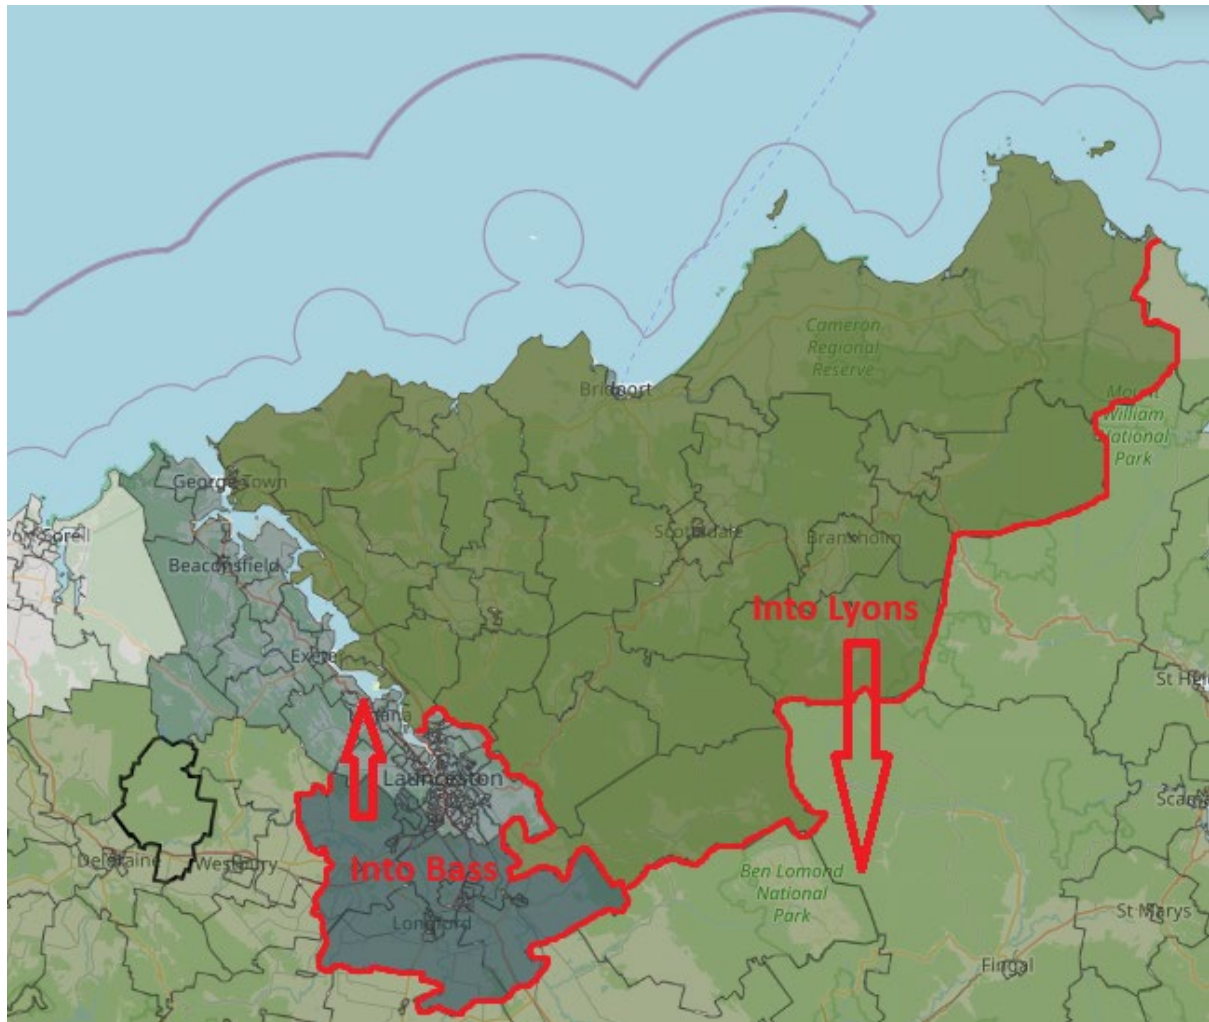

To achieve this, I would suggest making the following changes to the borders of the Divisions within Tasmania.

Move the localities of South Spreyton and Acacia Hills (SA1s 60402109110 & 60402109114) from Lyons into Braddon.

Move entirety of SA2's of Flinders and Cape Barren Islands (602031099), Scottsdale – Bridport (602031100), Dilston – Lilydale (602031058) and George Town (602031059) from Bass into Lyons.

Move entirety of SA2's of Hadspen - Carrick (602021056), Prospect Vale - Blackstone (602011044), Longford (602031060) and Perth - Evandale (602031062) from Lyons into Bass.

Move entirety of SA2's of Lindisfarne - Rose Bay (601021008), Mornington – Warrane (601021009), Bellerive – Rosny (601021004), Rokeby (601021011) and Howrah – Tranmere (601021007) from Franklin into Clark.

Move entirety of SA2's of Mount Wellington (601041025), Berriedale – Chigwell (601031014), Claremont (601031015), Austins Ferry – Granton (601031013) & Montrose – Rosetta (601031018) from Clark into Franklin.

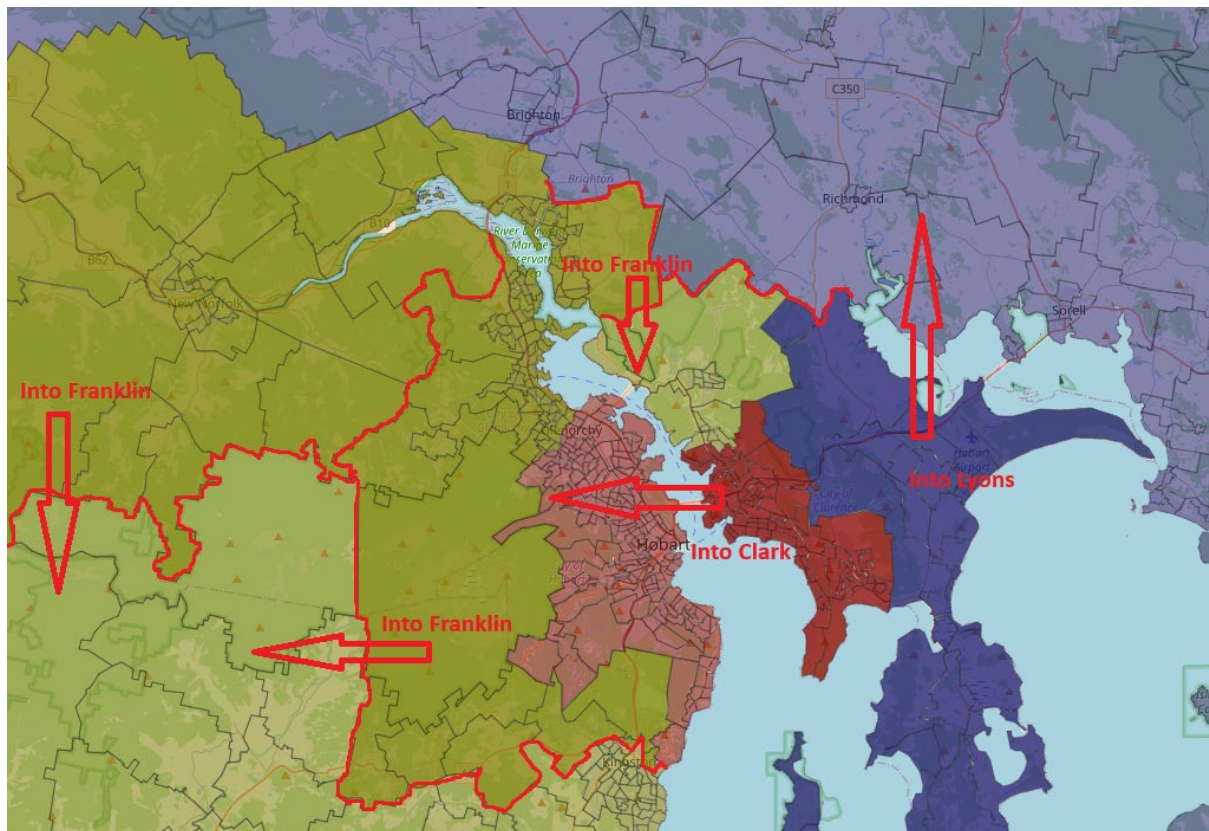

Move the North-Western Parts of Glenorchy (everything west of the Humphreys Rivulet) (SA1's 60103101715, 60103101729, 60103101717, 60103101705, 60103101716, 60103101703, 60103101706, 60103101702, 60103101714 & 60103101704) from Clark into Franklin.

Move the localities of Longley and Lower Longley (SA1s 60104102403 & 60104102413) from Clark into Franklin.

Move the remaining Kingston-Huntingfield SA1s (60104102206, 60104102209, 60104102210, 60104102219, 60104102221, 60104102222 & 60104102223) from Clark into Franklin.

Move the entirety of SA2's of Derwent Valley (603011066), Wilderness – East (603011068), New Norfolk (601031020), Bridgewater – Gagebrook (601011001) & Old Beach – Otago (601011003) from Lyons into Franklin.

Move the entirety of SA2's of Cambridge (601021005) & South Arm (601021012) from Franklin into Lyons.

These changes would leave Actual enrolments as of 12 August 2025 and Projected enrolments as of 8th April 2030 of (all within the acceptable ranges):

Division	Actual	Projected
BASS	81461	82019
BRADDON	85468	86900
CLARK	81631	83870
FRANKLIN	84309	87346
LYONS	80307	82650

Thank you for considering my submission.
