Submission on the proposed ACT redistribution details

Category: Names

Details: Please keep an electorate named for Charles Bean. I didnt know anything about him before seeing that some people wanted to change the name, so I thought I better go and read about him. Did you know the Governor-General has written about the importance of journalists and war correspondents? And we really need them now given the Middle East! Why dont more people know that Bean went to Gallipoli and France, hes probably the only reason I know what my ancestors did during the war (waiting to find out more on my episode of Who Do You Think I You)!
