Submission details

Submission: Names
Details: I both agree and disagree with Ty Hardin.

I disagree with Tys suggestion to abolish the name Leichhardt. I believe it should be retained as the name of an electorate. Replacing it could be seen as supporting those who oppose immigration, and I would not want such a change to be interpreted in that way.

I agree with Ty that there is merit in naming an electorate after Eddie Mabo. However, why not recognise both Eddie and Bonita Mabo? Gretchen has made some good points about why an electorate should be named in honour of Bonita Mabo. An electorate could

therefore be named after both of them, recognising their contributions, provided that the name Leichhardt is retained.
