Dear Chair

MY COMMENTS ON SUGGESTIONS FOR BOUNDARY CHANGES TO DIVISION OF LONGMAN

I support the Liberal-National Party's suggestion (S62) for Longman and Petrie and wish to comment on the alternative in the Labor Party's suggestion (S60).

1. Because Longman has grown so much it is one of the biggest electorates in Australia, I realize that it is necessary to change Longman and similarly growth on the Sunshine Coast means Fisher must change. Longman is Fisher's only southern neighbour. A move north for both is the logical answer.
2. Because Glass House and Beerburrum sit on the Bruce Highway and North Coast rail line, with stations at Glass House Mountains, Beerburrum and Elimbah their residents use Caboolture and Morayfield as their nearest major centres. They also share the semi-rural character of Woodford and the D'Aguilar Highway districts in Longman.
3. Longman would pass its southern suburbs to Dickson and Petrie where they join neighbouring communities along the corridor.

LABOR'S ALTERNATIVE: This leaves Longman's northern boundary where it is and ends Woodford and Wamuran to a division centred on Gympie and Noosa.

I commend the approach in (S62) to the Committee.

Yours sincerely

Beverley Fulker
