Submission details

Submission: Boundaries
Details: I write regarding the Dawson electorate. Some submissions have requested that the southern suburbs of Townsville be taken from Dawson and added to Herbert. But Herbert already has the correct quota of electors. To move the boundary so that Annandale, Oonoonba and Wulguru would be in Herbert would have a knock-on effect of then requiring major changes to other electorates that currently do not need to be changed to accommodate the mass movement of electors from one electorate to another.
Adding other areas such as Collinsville and the southern suburbs of Mackay around Bakers Creek and Ooralea would provide the electors needed for Dawson

while maintaining common links with the electorate and provide a practical solution without large, widespread changes to electoral boundaries.
With Regards.
