Submission details

Submission: Names
Details: I note a number of submissions - submissions 3, 4, 11, 12, 15, 19, 33, 40, 55, 56, 58 - are all impersonating me! How can people make a submission purporting to come from me - Anon E Mouse?

I also note a number of other submissions where we - the people reviewing submissions - cannot determine who they are - looking at submissions 7, 13, 28, 29, 35, 36, 51, 54 in particular.

Why has the AEC allowed people to make submissions and comments without us being able to determine who they are?

Looking at the submissions put forward, it is very clear that the lizard queen (29) have colluded with the Liberal Nation Party (62) to draw Forde. Very salamander. Such lizard. Wow. Very bjelkemander. They should have renamed it Gerry.
