| **Details:** | Cheers to Gretchen for such interesting ideas about how to increase the number of women electoral divisions are named for.<br>Reading her suggestion led me to go and find out more about Lottie Lyell. What a shame she died so young and just imagine how much more she could have done. We make such a lot about Australian actresses and directors, it would only be fitting to commemorate someone who was such a trailblazer in the then new field of film and in a society which was a lot more male dominated. And not only did she act, write, edit, manage but she also did her own riding, fencing and rowing stunts, she was a real |

all-rounder.
Please name an electorate for Lottie Lyell.
