Submission details

Submission: Boundaries
Details: To whom it may concern,
My name is Gavin Reinhardt. I live in Palmwoods in the Sunshine Coast federal electorate of Fisher, and I wish to comment on the suggestion lodged by the Australian Labor Party (S60).
I accept that Fishers boundaries must change. However, I do not support moving Maleny, Peachester and the surrounding hinterland communities into Wide Bay.
These communities are connected to the Sunshine Coast, not to Gympie and Noosa.
I work with and serve many corporate clients across the Sunshine Coast from Gympie to Caloundra, thus having first

hand experience.
The question should not simply be where a line can be drawn to balance the numbers, but whether the boundary reflects how people actually live. Our connections run down the range to the coast, and moving us north into Wide Bay would separate us from the communities we rely on.
An adjustment along the southern transport corridor would be a more sensible way to bring Fisher back within quota, while keeping the hinterland with the coastal communities it serves.
Yours sincerely and respectfully,
Gavin Reinhardt
